Below are brief explanations of available coverage for **HORSE INSURANCE** through American Reliable, an AM Best A rated company,

Mortality/Theft Coverage

This policy covers the horse in the event of death, humane destruction or theft. We can insure the horse for the purchase price within the first year of ownership. We can increase your horse's value with time and money spent on training and show records/ winnings. You **must** have a Mortality/Theft policy in order to be eligible to receive any other optional coverage. All pre-existing and congenital conditions are **not** covered. Renewal policies will be offered through age 20, however the rates will increase each year on horses over the age of 14. A vet exam is required for **all** horses over \$150,000.00 in value for new business. We will accept values up to \$150,000.00 and horses aged 16 to 4 months old without a veterinary certificate as long as the horse has not been seen by a veterinarian for other than routine care. We can insure foals at 24 hours of age. If the foal is under 30 days of age we will need the results of the IGG test and White Blood Count if available. Horses free of pre-existing colic conditions automatically receive **\$5000 worth of free colic surgery** coverage with their mortality coverage.

Major Medical Coverage:

\$7,500 Major Medical per horse per policy year with a \$425.00 deductible per incident. For horses valued at \$5,000 and greater.

\$10,000 Major Medical per horse per policy year with a \$500.00 deductible per incident. For horses valued at \$7,500 and greater.

\$15,000.00 Major Medical per horse per policy year with a \$600.00 deductible per incident. For horses valued at \$10,000 and greater.

This coverage helps pay medical diagnostic and treatment costs (vet bills) that you incur for your horse. Medical colic, surgical colic, lameness, illness, sickness, disease, etc. can be covered with Major Medical. All claims must be filed within 90 days of medical treatment. Please see the major medical coverage chart on the next page for specific coverage details.

Major medical plus coverage is available for horses valued at \$25,000 or greater. It provides a higher lameness diagnostic sub-limit, please call or e-mail for further information.

Stallion Infertility Coverage - To qualify for this coverage, the stallion must breed at least 20 mares per year. The company will pay the value insured for full mortality if the stallion becomes totally and permanently infertile, impotent or incapable of servicing mares due to an accident, sickness, or disease. The problem that has caused the infertility must have occurred and been reported to the claims department during the policy period. If the stallion is between 3 and 15 years old and his testicles are of normal size and consistency as confirmed by a veterinarian, by way of a vet exam, the horse can be eligible for this coverage. If a claim is paid the company will take full ownership of the stallion. The premium rate charged is 0.50% of the stallions insured value.

-Application: We must receive a copy (fully completed and signed) of this page. If a horse has been injured, sick or seen by a veterinarian for other than routine care, please submit the discharge reports from those visits. Please remember that if there are any unreported problems or conditions which you have not presented for the underwriters to review, those conditions or any related conditions are automatically excluded for all coverage. If you provide information on these conditions we can discuss the limits on coverage in advance of the policy issuance. Hiding the problems does not make them covered.

-Justification of Value: Complete if you are seeking a policy limit in excess of the purchase price of the horse.

-Vet Exam Form: Complete if :

1. Value is over \$150,000.00 for new business.
2. The horse has any health problems or injuries.
3. You would like coverage for a foal under 4 months old. If the foal is under 30 days of age please provide us with the IGG level and WBC count if available.
4. You would like coverage for a horse that is seventeen years or older.

Please do not hesitate to contact the office with any questions or concerns you may have. Applications, Justification of Value forms and Veterinarian exam forms can be accessed @ www.shadleinsurance.biz. Please give us a call if you would like forms mailed or faxed to you.

Thank you,

Jon & Elizabeth Shadle
